Why Charter Us.....

We have more choice!

Choose from NiCE Executive Coach, Plusliner, Transnacional or Cityliner for your transport needs.

We are the largest!

With strength more than 1,500 units coaches, we are able to cater more than 100 buses at one time.

Insurance Coverage

We ensure you are covered with our insurance.

Bus Advertising

To further enhance your brand presence, you could wrap the bus with your product advertisement.

We are SAFE

The international bureau of transportation reports that buses are twice as safe as flying and 46 times safer than driving an automobile.

Trained driver

Our trained drivers are ready to taxi your group to the doorstep of your destination.

Why Us.....

Daily shuttle service

Apart from our inter-city charter, we provide transport contract transfer (shuttle service) to ferry your staff / student / client from any pick-up point to your destination.

A special package and rate will be extended for those who sign-up the charter contract with us.

We promise to provide excellent service for your organisation.

**You find the stop,
and we will take
you there..!**

Bus Charter Service...

Cityliner

Cityliner

Cityliner offers city bus services, operates in several states/areas in Peninsula Malaysia namely Kelantan, Selangor, Negeri Sembilan, Kedah and Seberang Prai.

With the rising environmental concerns and increasing fuel prices, Cityliner has opted for Compressed Natural Gas (CNG) technology which allows the buses to run on an alternative source of fuel that is environmentally friendly.

Cityliner is the first in the country to operate prepaid ticketing system.
